

COGNITELL

ENABLING DATA INTELLIGENCE

The mission of Cognitell is to help our customers make sense of their data and develop actionable insights using the latest innovations in Data Science and Analytics. Regardless of your organization's level of data maturity, our team is ready to step in and provide the essential skills to bring you to the next level. Our expertise in data management, data engineering, data mining, and data science will help fill any gaps in your current data pipeline to ensure you are getting the most value from this precious resource.

EcoData doing business as Cognitell, is a subsidiary of Sealaska Government Services, an Alaskan Native Owned company. EcoData is certified by the Small Business Administration (SBA) as an **Alaskan Native Tribally Owned 8(a) Company** headquartered in Seattle, WA.
